Donning the student council badge signifies that the wearer is a committed and responsible student who is actively involved in making a positive difference in the school and be the harbinger of good.

All students will have the opportunity to earn and wear the badges for excelling in academics, sports and other curricular activities. We believe that these badges will help highlight and celebrate the achievement of our students, as well as motivate others to pursue their passion and work hard to attain their own badges. We hope that these badges will inspire our students to strive for excellence.
